

MODERN SLAVERY ACT STATEMENT

INSIGHT CREATIVE LTD // 2025

This statement is made pursuant to Section 54 of the UK Modern Slavery Act 2015 and outlines the steps **INSIGHT CREATIVE LTD** has taken to ensure modern slavery and human trafficking are not occurring within our business or supply chains.

Our Business

INSIGHT CREATIVE LTD is a small business operating in the graphic design and photography sector. We provide bespoke visual solutions to clients across various industries. As a service-based company, our direct risk of modern slavery is low; however, we remain committed to ethical business practices and responsible sourcing.

Our Commitment

We are committed to preventing modern slavery and human trafficking in all its forms. We uphold the highest ethical standards in our operations and expect the same from our suppliers and partners.

Supply Chain and Due Diligence

While our supply chain is relatively simple, we source materials such as printing services, photographic equipment, and digital tools from third-party suppliers. To mitigate risks, we:

- Work with reputable suppliers who align with our ethical standards.
- Expect suppliers to comply with all applicable laws regarding labour and human rights.
- Conduct periodic reviews of key suppliers to ensure compliance.

Policies and Training

Although we are a small company, we promote awareness of modern slavery among our employees and shareholders. We encourage the reporting of any concerns related to unethical labour practices.

Ongoing Efforts

We will continue to monitor and review our business and supply chains to ensure compliance with modern slavery regulations. We remain committed to improving our approach where necessary.
